EXPERIENCE

FREELANCER 2020 -
Noa Romee

I work a lot on logo designs and website designs. I have made several websites with HTML and CSS. I also work a lot on social media branding.

INTERN 2019-2019
Channel VAS - Athens

I did my internship at Channel VAS. I worked in a team environment. For example, I contributed a lot to creating email marketing items, presentation material, and logos. I also learned to work within brand guidelines to create layouts that enhance the style or voice of a brand through visual touchpoints. In addition, I have worked extensively with internal teams to define user interface requirements.

CLOTHIER AT A CHILDRENCLOTHING STORE 2015- 2019
Kinderboetiek Sanny - Monnickendam

From the age of fourteen to eighteen, I worked in a children's clothing store. I have learned a lot there. I often worked alone, I opened and closed the store, and I received the payments. I have helped many clients pick out clothes based on their needs. I also arranged the social media of the clothing store.

SUSHI CHEF 2014- 2015
Sushi Volendam - Edam

When I was thirteen, I worked as a Sushi Chef at Sushi Volendam. I made sushi and ensured the quality and consistency of the product. I also took the direction and provided training and guidance of staff members. I worked in a team environment. I occasionally worked in customer service and had to come up with problems.
